

Week 8, Term 2 Newsletter

Both Kindy and Class 1 love their weekly music sessions with Beata, the music teacher.

They have been learning how to correctly use a range of percussion instruments, keep a simple beat, and make noise! It's lovely to see them have so much fun in the process.

With the cooler weather fully upon us now, please label your child's jumpers/trackie pants so we can keep track of everybody's belongings.

Thanks 😊
